OPEN FORUM:

Hernandez Property Concerns & Parking on River Vista Lane – Justin & Maranda Schaefer and Jessie Goodell came before the town board to discuss their concerns regarding the Robert Hernandez parcel located at 32628 River Vista Lane. The Schaefer's are adjacent neighbors to the Hernandez property and Mr. Goodell lives north of the Hernandez property. The property has accumulated abandoned vehicles & property as well as an RV with people living in it. They also discussed the many different occupants at the Hernandez property.

Mr. Goodell discussed the continued parking on River Vista Lane. He understands it is a public street but questioned whether no parking restrictions could be placed on the street. The consensus of the town board was to send a letter to Mr. Hernandez regarding the abandoned vehicles, RV, property and occupants. The board also recommended they contact Stearns County Environmental Services regarding the use of the RV and the Hernandez home for rental purposes since the county has rental ordinances residents must follow. The Schaefer's are also considering a neighborhood project watch to get all neighbors in the area to report unusual activity to the Stearns County Sheriff's Department.

Jason Smith – Mr. Smith came before the town board to learn more about township government since he has recently moved to the area. He also had questions regarding the township parcel located at 32467 County Road 1 (Bunde parcel) which is for sale. He questioned whether an accessory building could be constructed on the parcel and what that procedure would be. The board reviewed with him the procedures since the property is located in shoreland.
