LRIP funds for 17th Street. Supv Heim did receive the notice that 17th Street was not selected to receive funding. Supv Wagner will contact Ms. Udermann regarding the decision.

CLERK REPORT:

Empire Solar Group LLC Bankruptcy – Clerk Plante received final settlement notice of the bankruptcy for Empire Solar. The township had one resident that used the company to place solar panels on their house roof.

Wacosa Shredding – Clerk Plante took township files for shredding to Wacosa DocuShred.

Parking Regulations Ordinance – The summary for the new parking regulations was published on March 27, 2026.

Kitchen Stove Installation – Clerk Plante received notice the kitchen stove ordered from Menards was in. Since there was a limited time for pick-up, she had David Plante sign a Volunteer Service Agreement who then picked up the stove and installed it.

Carr's Tree Service Information – The information was given to Supv Westerlund for contact for bidding of tree removal areas in the township.

Legal Description Question – 90 27th Street North – Clerk Plante was contacted by Tom Schiffler, real estate agent, who questioned the legal descriptions for the property at 90 27th Street North. He also requested copies of the survey when this property was split. Clerk Plante provided the legal descriptions the township received from the surveyor to split this property in 2004. She also provided Mr. Schiffler with the surveyor's name, Scott Gyllen of Westwood Professional Systems. Mr. Schiffler was concerned the septic system for 90 27th Street is located on the parcel located to the east and owned by Carlson Rev Trust.

HP Instant Ink Contract Change – Clerk Plante informed the board she has changed the HP Instant Ink contract to 100 pages/month for \$7.99 versus the 300 pages/month @ \$15.99 she had previously. She reported the majority of her copying is done on the printer at the town hall.

OLD BUSINESS:

Thomas Property – No further information has been received from Stearns County Environmental Services yet.

Sullivan Yard Clean-Up – No further information – will be looked at during the annual road inspection meeting.

Website Redesign – Clerk Plante has not received an update from the website designer or a time frame when the website will be ready for publication.

Fee Schedule Review – No further information at this time.

Townline Road Update – Supv Heim reported the meeting held for the public was well attended. All LeSauk Township residents have settled with their road right-of-way acquisitions. The county is still working with a couple of property owners in other entities for right-of-way acquisitions. He reported that a Joint Powers agreement was signed by all entities involved with this project. Depending on what the final project cost is, the amount of funding received and how much each entity will need to contribute, Stearns County will bill each entity for their percentage of the construction project.

Township Lawn Weed & Feed Bids – Clerk Plante will begin to contact companies for proposals.

Tree Trimming – Supv Westerlund will contact tree services for proposals.

LRIP (Local Road Improvement Program) – Supv Heim received notice the application he submitted for LRIP funds for 17th Street North (Udermann area) was not chosen for funding.

Partnership w/Sartell Police Department – The board reviewed and discussed the outline of a joint powers agreement sent by Brandon Siljgord, Sartell Public Safety Director regarding the partnership with the Sartell police department. It was the consensus of the board to hold off on further discussion

about the partner ship until the fire department invoice has been received.

NEW BUSINESS:

Board of Appeal Meeting – Town Board members were reminded the annual board of appeal meeting will be held on April 8 beginning at 6:00 p.m. All town board supervisors are currently trained in the board of appeal process.

Annual Bridge Report – Clerk Plante received the annual bridge report from Stearns County. Inspectors of the bridge have requested the south side delineators were missing and need to be replaced and the guardrail post on the northeast corner is damaged and need of repair. Clerk Plante was asked to contact John Peterson of ID Sign Solutions checking whether the replacement of the delineators would be something he could do. She will also contact Stearns County regarding the guard rail repair which will be done when 30th Avenue is reconstructed.

There being no further business, SUPV WESTERLUND MOTIONED TO ADJOURN, SECOND BY SUPV WAGNER, MOTION CARRIED 3-0.

Respectfully submitted,

Marlyce L. Plante
