

**LE SAUK TOWNSHIP
STEARNS COUNTY, MINNESOTA
Ordinance No. 26-02**

**AN ORDINANCE ADOPTING AN UPDATED
FEE SCHEDULE FOR THE TOWN**

The Board of Supervisors of the Town of Le Sauk ordains:

Article I. Schedule Adopted. The attached fee schedule is hereby adopted. The fees contained in the schedule replace any fee amounts previously adopted by the Town Board on the same item.

Article II. Not Codified. This ordinance is transitory in nature and shall not be codified. The fee schedule adopted by this Ordinance shall be placed on file with the Town Clerk and shall be posted on the Town's website.

Article III. Zoning Fees. The Town is authorized by Minnesota Statutes, section 462.353, subdivision 4 to impose fees to offset its costs to administer and enforce its development code. The zoning fees the Town collects shall be used to offset the Town's costs related to the administration and enforcement of its zoning regulations and will not be transferred or used for purposes unrelated to planning and zoning.

Article IV. Reasonableness. The Town Board determines the fees established on the attached fee schedule are fair, reasonable, proportionate, and have a nexus to the actual costs the Town incurs related to providing the services to which they relate.

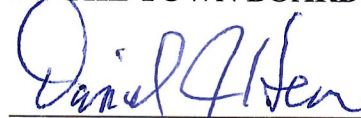

Article V. Collection. The Town may refuse to process any request for failure to submit all required fees and any required escrow amounts. The fees and amounts established on the attached fee schedule constitute a service charge which the Town may collect any unpaid portion thereof pursuant to Minnesota Statutes, section 366.012 by certifying the amount to the county auditor for collection together with the property taxes imposed on any property the person owns in the state.

Article VI. Effect. The fees set out in the attached fee schedule apply notwithstanding any other fees the Town has established which may be inconsistent. Any other fees imposed by the Town which do not appear on the attached fee schedule remain in full force and effect.

Article VII. Effective Date. This ordinance is effective on July 1, 2026 and the updated fees apply to all applications and requests received on or after that date.

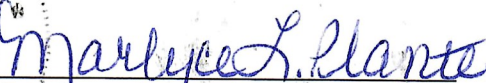

Adopted this 23rd day of June 2026.
